TWO NEW PROJECTS OFFERED

Entomology Project - This new project is open to all 4-H'ers in Medina County who are interested in learning about bugs. This Project will be taught by Lauren Oefinger so if you are interested please contact the Extension office or Mrs. Oefinger at loefinger@hondo.k12.tx.us

Wildlife Project - If you are interested in Wildlife Management or Wildlife Habitat this project's for you. It is open to all 4-H'ers in Medina County and will be taught by Warren Beard. If you are interested please contact Mr. Beard at wbeard@hondo.k12.tx.us or the Extension office.

RECORDBOOKS

It's time to start keeping records for your 2011-2012 Projects. Keeping records is a great way to hold on to your memories about your incredible adventures in 4-H. Record keeping is also a great way to develop skills in time management, communication, setting goals and deadlines, money management and project evaluations. In an effort to update the current recordbook system a committee is developing an online program with a data entry system that easily allows for updates, editing and printing.

- There will be three (3) levels of recordbooks based on 4-H age (junior, intermediate, and senior). Information requested for each level will progressively add on to each other. The junior & intermediate books will be significantly simplified from the current recordbook. The senior level book will be similar to the current record book with some minor edits.
- Parts of the report form will be standardized to allow for ease of completion and judging.
- Much of the data from previous recordbooks that a member may have saved on their home computer may be "cut and pasted" into the new form
- All 4-H members will begin using the new online forms or a new paper form that will be available for download from the Texas 4-H website beginning with the 2011-2012 4-H year.
- Recordbooks will still be printed and turned in (in hardcopy form) to be judged by the deadline set by your local County Extension Office.

This system will be available for use starting Oct. 15th. Watch future newsletters for Recordbook workshops held in Medina County.

HONEYBEE ESSAY CONTEST

If you're interested in Honeybees and the art of producing honey then the Honeybee Essay Contest might be for you! The essay contest is sponsored by the Foundation for the Preservation of Honey Bees, Inc. For over 50 years, the American Beekeeping Federation has been serving the needs of the U.S. beekeeper. Any youth interested in participating in the contest can find more information at:

TEXAS 4-H AND YOUTH DEVELOPMENT SCHOLARSHIP

Texas 4-H and Youth Development Program Opportunity Scholarships are awarded each year to applicants based on their 4-H experience, academic record and

financial need (for scholarships for which it is a prescribed criterion). The Texas 4-H and Youth Development Opportunity Scholarship Program is conducted in coordination with the Texas 4-H and Youth Development Program, the Texas 4-H Youth Development Foundation, and Texas AgriLife Extension Service. The Texas 4-H Foundation seeks to ensure that each recipient receives the highest dollar amount of scholarship for which that recipient is eligible. For the majority of the total scholarships and scholarship funds available, participation in a livestock show is not a requirement for consideration for an Opportunity Scholarship. Please note that the 2012 Texas 4-H Opportunity Scholarship Application will not be released until around November 15, 2011. If you will be a graduation senior and are interested in applying here is what you can be working on in the meantime to prepare for your application:

** Ensure you have taken the SAT or ACT.. Minimum requirements on scores are 1350 on SAT and 19 on ACT (scores must be from one test date)

** Begin working on you Free Application for Federal Student Aid (FAFSA). This is a free application and can be found at fafsa.gov. Please do not use one of the websites that charge hence the word FREE!!
